We seek to minister to the community in practical, positive, and caring ways. This program is a licensed preschool for parents of children 12 months to 4 years old. It is offered Monday through Friday from 9:00 am until 2:30 pm, September through May. Parents may apply for admission of their children for two, three, four or five days per week, depending on age. The application is for the entire nine month period. Most Baltimore County school holidays and inclement weather days will be observed during this time. Two goals will be achieved through the program:

- (1) To develop a quality program where teachers plan activities to meet the physical, mental, social, emotional, and spiritual needs of children within a Christian environment.
- (2) To provide a supportive ministry to parents who want their children to have early childhood training, Christian education, and quality care.

The program is a part of the overall social ministry of the church and is non-profit. Fees are subject to change, but will be kept to the lowest possible charge for the Weekday Early Education Program. Current fees are as follows:
